

A high energy, lower protein*, nutritionally complete formula, scientifically designed for individuals with Chronic Kidney Disease (CKD) not on dialysis.¹

FEATURES

Nutritionally complete: Can be used as a supplemental or sole source of nutrition, but has a decreased level of potassium compared to standard feeds.¹

High energy: 1.8 kcal/mL (401 kcal/bottle) to help individuals on fluid or volume restriction meet their increased energy needs.¹

Lower protein:* 4.5 g protein/100 mL (9.9 g/220 mL) to help reduce the workload on the kidneys.¹

Low in electrolytes (sodium, potassium and phosphorus): To help maintain electrolyte balance and compliance with dietary restrictions.^{1,2}

Fibre: 2.8 g fibre/bottle to support normal bowel function and good gut health.¹

Prebiotic fibre (FOS[†]): To help manage uraemic toxins in individuals with dysbiosis.³

Healthy fat blend: Monounsaturated and plant-based omega-3 fatty acids to support a healthy heart.¹

Low Glycaemic Index = 44:⁴ Contains a slow release carbohydrate blend to help manage blood glucose levels.

*Compared with Nepro HP. †FOS: fructo-oligosaccharides, prebiotics.

INDICATIONS

For the nutritional management of individuals with CKD not on dialysis.

PRECAUTIONS

This product is a Food for Special Medical Purposes. Use only under medical supervision.

- Not intended for use in children unless recommended by a physician or other qualified health care professional
- Not for use in galactosaemia
- Not for parenteral use

DIRECTIONS FOR USE AND STORAGE

Nepro LP is ready to use.

Shake well, and open immediately prior to use. Once opened, cover and place in a refrigerator, discarding unused feed after 24 hours. Best served chilled. Store unopened at room temperature.

INGREDIENTS AND ALLERGEN INFORMATION

Water, maltodextrin, VEGETABLE OIL (high oleic sunflower oil, canola oil), milk protein isolate (**milk**), isomaltulose, sucrose, glycerine, sodium caseinate (**milk**), fructo-oligosaccharides (FOS), MINERALS (potassium citrate, sodium citrate, magnesium chloride, potassium chloride, magnesium phosphate dibasic, ferrous sulphate, zinc sulphate, cupric sulphate, manganese sulphate, chromium chloride, potassium iodide, sodium molybdate, sodium selenate), emulsifier (322) (**soy**), flavouring, choline chloride, VITAMINS (ascorbic acid, niacinamide, calcium pantothenate, pyridoxine hydrochloride, thiamin hydrochloride, riboflavin, Vitamin E, Vitamin A palmitate, folic acid, biotin, phylloquinone, Vitamin D3, cyanocobalamin), l-carnitine, stabiliser (407) and taurine.

Contains soy and milk.

NUTRITIONAL INFORMATION – NEPRO LP VANILLA 220 ML

NUTRITIONAL INFORMATION			
	Units	Average per 100 mL	Average per 220 mL
