

1 SINGLE USE INSTRUMENTS

Bydand Medical now have quality instruments available in a single use presentation for those medical professionals that prefer the convenience of using instruments that are already sterilised.

Our **Sayco Sterile** range is a much welcomed addition to compliment our existing instrument ranges.

SAYCO STERILE INSTRUMENTS ARE:

- Sterile, ready-to-use instruments.
- Supplied in easy-to-open durable clear plastic pouches.
- Blue colour coded handles for instant identification as single use.
- Available individually or in handy economical instrument sets. The choice is yours.
- **GUARANTEED QUALITY.** As with all the instruments that bear our brand name we guarantee that our product will be free of functional defects in workmanship and materials when used correctly in its intended purpose.

STERILITY GUARANTEED
