

100%
Bamboo

Comfortable

Gentle
on Skin

Lymtube is a smooth, 100% bamboo fibre tubular stocking for use as a skin protection layer.

Lymtube is an individually replenishable component of the Lymphlex Reduce Compression Therapy Kit.

100% BAMBOO FIBRE

Bamboo fibre more environmentally responsible than cotton

SMOOTH FINISH

Helps to glide easily onto the body

GENTLE ON SKIN

Soft texture adds comfort and is suitable for fragile skin

Suitable for:

Compression therapy

Fragile skin

Use as a lightweight, tubular retention bandage
